NEW FISHING PIER AT WATTERSON LAKE

A popular fishing spot in District 15 has received a new ADA accessible fishing pier. The new pier extends out into the water for increased ability to drop in a line. The new asphalt ADA accessible path along the water's edge gives better access to prime fishing spots. Be sure to check your fishing skills this spring and summer.

COMMUNITY BASED GARDEN IN HAZELWOOD

Several groups are bringing a community based garden to the Hazelwood area. Louisville Grows, Gate of Hope, Kentucky One Health, Field Day Farm, Food Literacy Project, Sav-a-Lot and Metro Louisville partnered to grow fresh fruits and vegetables. Sav-a-Lot has agreed to sell the produce. Residents can also go online at Louisville

Grows and purchase a share of the garden which allows them a box of produce 24 weeks a year. Councilwoman Butler is pictured with Mr. & Mrs. Mukeshimana with Gate of Hope. They will host a **Block Party on Saturday, May 21 at Noon at Hazelwood & Bicknell** — Come learn more about the project!

BREAST CANCER SCREENINGS

Councilwoman Marianne Butler is partnering once again with the James Graham Brown Cancer Center to bring the mobile Mammogram Clinic to District 15. This is available for women 40 years and over and at no cost for women eligible without insurance.

NALOXONE TRAINING

Councilwoman Marianne Butler, Churchman Chapel Ministries and YPR-KY-Louisville Kentucky Harm Reduction Coalition are holding an information seminar on Naloxone and the signs of substance abuse. Attendees will learn not only how to administer Naloxone which can save someone's life—they will also learn signs of substance abuse and where they can seek help.

Saturday, May 21

10am—noon

Churchman Chapel Ministries
4048 LaSalle Avenue

IROQUOIS PARK UPDATE

Councilwoman Marianne Butler is proud to announce that Rundill Road in Iroquois Park was milled, repaved and stripped. Soon you will see park benches and trash receptacles along the roadway courtesy of a State Transportation Grant sought by Representative Butler.

The long awaited top overlook will open late this spring to the public. This \$1.4 million dollar investment restores many native plants to the overlook and allows park goers to have a full vista of the Louisville skyline.

ST. JOE PEDESTRIAN IMPROVEMENTS

Councilwoman Butler has been working with Public Works and PARC on pedestrian and parking improvements. Residents will notice voice activated crossing devices at Preston and Eastern Parkway, countdown devices at Bradley and Eastern Parkway and improvements on Warnock. PARC replaced signs throughout the area to help with parking regulations and placed informational fliers on vehicles. Overall there is a noticeable improvement—thanks to the neighborhood association for their help!

PERMANENT PRESCRIPTION DRUG DROP-OFF SITE

Jefferson County Sheriff John Aubrey has put a permanent drug drop-off location in his office, 531 Court Place. (the old Fiscal Court building) The hours are 8am—4pm, Monday—Friday. Properly disposing of old prescription medication keeps drugs off the streets and out of our waterways. For additional information contact Metro Call at 311.

GET YOUR PET LICENSED

Councilwoman Butler is bringing a SPOT (Stop Pet Over-population Today) to residents. SPOT brings veterinarian services to the neighborhood allowing you to get your pet license and necessary vaccinations. You can also microchip. The clinic is:

Saturday, May 14
9am—noon

Wyandotte Park, 1010 Beecher

Councilwoman Butler is offering \$5 off coupons to use towards rabies shots. Call 574-1115 to request up to two coupons. Coupons are limited to the first 50 callers.

LITTER FREE NEIGHBORHOOD!

If your neighborhood would like to organize a cleanup you don't have to wait for the semi-annual Brightside Cleanup. District 15 can help you with bags, gloves and coordinate with solid waste to pick up the bags of litter after your cleanup. Give us a call at 574-1115.

A litter free area translates into a lower crime rate and higher property values. Help keep our community clean!
